About Us

At Canadian Closet, we believe in quality and customization. That's why we have partnered with Murphy Wall-Beds Inc. to bring our clients the best wall bed in the industry.

Our experienced team of designers will work with you each step of the way to design, manufacture and install the perfect Murphy bed in your home or commercial space.

FAQS

- Our Murphy beds are custom built in our locally owned and operated manufacturing facility.
- We use the authentic, German engineered and manufactured hardware with a 2000 lb. capacity that comes with a lifetime warranty.
- Canadian Closet offers a one-year warranty on our cabinetry and installation.
- Our Murphy beds are available in single, double, queen and king..
- We also offer a side-tilt option for smaller spaces.
- Our Murphy beds can be opened safely and easily by virtually anyone.
- We offer a variety of material finishes that will suit your vision and décor.

Let us help you create a multi-purpose room to suit your style, needs and budget!

A Murphy bed with additional cabinetry is perfect for maximizing space in any room.
