INSPIRATION. There is nothing more frustrating than having an idea - a dream, a plan for your home or space and discovering that you have to settle for someone else's formula or plan.

At Canadian Closet we do things differently.

Our facility is equipped to handle projects from start to finish.

We work with you from design to completion and everything in between.

When you bring your ideas to us, it is our goal to assist you in creating a closet that not only suits your home and storage needs but something you, yourself love.

We have a large variety of materials, including colours and textures to choose from so that your only limit is your imagination.

These materials come from a number of reputable suppliers and we are proud to be partnered with leaders in the industry.

MOTIVATION. We STRIVE to provide you with products that can be customized to YOUR dreams - from basic shelving for a closet to an entire room - and meet your budget..

During your complimentary consultation, our designers will determine what your needs and expectations are for the space and create the storage solutions and functionality to meet them, all while keeping your budget in mind.

After discussing function, you will select the style and finish of your cabinetry.

In our construction, we use 3/4" furniture grade melamine which is available in a wide variety of colours and finishes.

Then to add the finishing touches, we will show you choices for accessories, hardware, countertops and lighting.

For added convenience and function, we manufacture and supply pull-out drawers, baskets, hampers, shoe fences, pant racks and a host of other accessories like pull-out valet rods and tie/belt racks to complete the space.

We also carry top quality, fashionable hardware in many styles and finishes to add style to your project.

Closet rods, handles and knobs are available in chrome, matte aluminum, matte nickel, matte gold, oil rubbed bronze and black.

ORGANIZATION. You no longer have to try to make your space fit the product. We make the product FIT YOUR SPACE!

No two garages are the same, nor should they be! At Canadian Closet we take your wants and needs seriously, that's why we offer customized solutions.

Our large assortment of materials, slatwall and accessories allows us to create something to suit your needs and fit your space accordingly.

QuikTRAY is an adjustable, roll-out tray system designed to be installed into new or existing cabinets in order to maximize storage and to make retrieval of cabinet items quick and effortless.

QuikTrays are also height adjustable in minutes with no tools needed. Kitchen, pantry, bathroom, craft room and garage cabinets can all benefit from the QuikTray Roll-out System!

Each tray is made in-house, right here at Canadian Closet. Trays are available in white and coloured melamine, maple, dove-tailed plywood, or metal drawer boxes. We use top of the line Blum Movento under-mount glides equipped with the soft close feature, because quality matters!
